

Sweden vs. Germany

30 September-1 October 2011 in Nordstan Shoppingcenter

The present two best Speedminton National teams: Sweden and Germany meets in a battle to see which one is the best Speedminton nation in the world.

Speedminton is by far the fastest growing racket sport in the world. The simplicity and the speed attract players from all over the world!

The games start at 15.00 on Friday and continue on Saturday. Full Spectator stands, world record attempt in Speedminton rally, cheerleading, dance shows, parallel slalom race with Seagways, and other competitions around the games. The country match is played in indoor grass in a Davis Cup mode.

One of the Swedish team players is Per Hjalmarsen, the present European and world Champion.
